EFFERVESCENCE
DES VISIONS ARTISTIQUES

SOUS LA DIRECTION DE PHILLIP DENNIS CATE ET WILLIAM SAADÉ

EXPOSITION PRÉSENTÉE AU PALAIS LUMIÈRE ÉVIAN DU 19 AVRIL 2025 AU 4 JANVIER 2026

Les auteurs :

Phillip Dennis Cate,

commissaire indépendant, directeur émérite du Jane Voorhees Zimmerli Art Museum

et William Saadé,

Conservateur en chef honoraire du patrimoine, conseiller artistique du Palais Lumière à Évian

Avec les collaboration de Isabelle Cahn, André Cariou, Gilles Genty, Jean-David Jumeau-Lafond, Raphaële Martin-Pigalle, Nicole Tamburini, Norma Thibault, Richard Thomson, Cathérine Verleysen, Gabriel Weisberg et Janet Whitmore.

De l'influence de l'art japonais aux lumières de Montmartre, du symbolisme évocateur à la Bretagne de Pont-Aven, en passant par le néo-impressionnisme, les nabis ou l'Art nouveau, cet ouvrage vous invite à découvrir l'effervescence artistique de la fin du xixe et du début du xxe siècle. Plus de trois cent cinquante peintures, dessins, aquarelles, estampes, affiches d'artistes incontournables ou à découvrir offrent un véritable voyage dans le temps et dans l'histoire de l'art de cette période foisonnante.

From the influence of Japanese art on the artists of Montmartre to the evocative symbolism of Pont-Aven in Brittany, with passages on Neo Impressionism, the Nabis and Art Nouveau, this work is an invitation to discover the artistic effervescence of the late nineteenth and early twentieth centuries. More than three hundred paintings, drawings, watercolours, prints and posters by well-known and lesser-known artists offer a veritable journey through time and into the history of this period of artistic flourishing.
